1 Q. As described in Item 43.

2 MS. HILLYER: I'm sorry,
3 objection. Broad. Vague. Calls
4 for a narrative.

5 THE WITNESS: I believe that
6 these topics aligned very closely
7 with the topics that we reviewed
8 before lunch.

9 And so my answers would be
10 the same there, because Teva and
11 Cephalon didn't release materials
12 that were specific to geographic
13 areas for their marketing or
14 educational messages.

15 The messages were approved
16 nationwide, and they would have
17 been available and used in Ohio,
18 just as they would have been in
19 any other state in the country.

20 BY MR. KIEFFER:

21 Q. You're referencing your
22 testimony in response to Topic 29; is
23 that correct?

24 A. I think so.
